NTAA has a plan of making available the English version of “Analysis of Stock Prices in Japan” to those who wish to have a copy. Please send your request to the NTAA Office through its home page. There will be no charges except for delivery charges. Delivery charges vary from area to area but you will evenly be charged \$40 including conversion service fees. Since the copies available are limited in number, please send in your request at as early a date as possible.

This book consists of 265 pages. It explains extensively about technical analysis. We hope the book will be helpful in your study of technical analysis.

Hiroshi Okamoto, Dip. ITA,  
IFTA Director,  
NTAA Chairperson of the Board of Councillors
